EDUCATION

2023 – Present **The Catholic University of America** | Washington, D.C.
Doctoral Candidate, Clinical Psychology
Master of Arts in Psychology (January 2025)
Advisor: David Jobes, Ph.D.

2021 – 2023 **Louisiana State University** | Baton Rouge, LA
Enrolled in Clinical Psychology PhD Program
Master of Arts in Psychology (May 2023)
Advisor: Raymond Tucker, Ph.D.

2013 – 2018 **University of Cincinnati** | Cincinnati, OH
Bachelor of Science in Psychology, Certificate in Deaf Studies (May 2018)
Summa Cum Laude
Dean's List, 2013-2018

GRANTS, HONORS & AWARDS

2025 Citizen Scientist Student Award, American Association of Suicidology ($250)

2025 Graduate Student Travel Award, The Catholic University of America ($1,000)

2024 Pi Gamma Mu International Honor Society in the Social Sciences, District of Columbia Alpha Chapter

2023 – 2027 Four Pines Fellowship for Excellence in Suicide Prevention and Treatment ($35,000/yr)

2022 Graduate Student Strategic Research Grant, Louisiana State University ($1,000)

2022 Graduate Student Travel Award, Louisiana State University ($250)

2020 Winner, NIMH Three-Minute Talks Competition, "Utilizing EMA in Suicide Risk Assessment"

2019 – 2021 National Institutes of Health Post-Baccalaureate Intramural Research Training Award Fellowship

2018 Exceptional Contributions to the Department of Psychology Award, University of Cincinnati Psychology Department

2017 – 2018 Psychology Student Fellow, Division of Developmental and Behavioral Pediatrics, Cincinnati Children's Hospital

2017 Hong Kong Polytechnic University International Summer School Scholarship

2016 – 2018 Psi Chi International Honor Society, University of Cincinnati Chapter

2013 – 2018 Cincinnatus Scholar, University of Cincinnati

CLINICAL EXPERIENCE

2025 – Present **Psychology Extern** | PsychCare Psychological Services, LLC, Columbia, MD
Supervisors: Elizabeth Disney, PhD., Kayi Hui-Spears, Ph.D., Kristen Izant, Ph.D.

- Provide individual therapy to clients who struggle with depression, anxiety, trauma, grief, panic disorder, and relationship struggles in a private practice setting.
- Conduct therapy using CBT, ACT, strengths-based, and interpersonal approaches that align with individuals' personal, cultural, and situational backgrounds and needs.

2024 – 2025 **Psychology Extern** | Baltimore Veteran's Affairs Medical Center, Baltimore, MD
Supervisors: Elizabeth Klingaman, PhD, Jennifer Lorenzo, PhD, Natalie White, PhD

- Delivered Cognitive Behavioral Therapy for Insomnia (CBT-I), and a "wellness" control intervention to Veterans with severe mental illness as part of an RCT.
- Conducted intake interviews and individual therapy sessions, and co-led group therapy sessions, with Veterans with severe mental illness. Used CBT, mindfulness-based, and motivational interviewing interventions. Worked within the following outpatient programming systems within the VA: Mental Illness Research and Education Clinical Center (MIRECC) and Psychosocial Rehabilitation and Recovery Center (PRRC)
- Administered assessment instruments to Veterans: RBANS, MMPI, SCID-5-CV, SCID-5-PD, and MCMI-IV. Summarized findings via writing integrated psychological reports. Interpreted findings and treatment recommendations to Veterans.

Summer 2024 **Psychology Extern** | Neuropsychology Associates of Fairfax, Fairfax, VA
Supervisors: Adreanna Watts, PhD, Cynthia Sullivan, PhD

- Administered neuropsychological assessment batteries to patients experiencing various cognitive and neurodegenerative disorders. Utilized assessment instruments such as: WAIS-IV, WMS, CVLT-3, TMT, CPT-3, MMSE, WRAT, HVLT, BVMT.
- Scored assessments, attended weekly supervision with neuropsychologists to discuss patient presentations, and summarized findings in integrated reports and provided recommendations for treatment.

2023 – 2024 **Student Therapist** | CUA Counseling Center, Washington, D.C.
Supervisors: David. A. Jobes, PhD, Peter Ellsworth, PhD

- Provided individual therapy to college students experiencing depression, anxiety, relationship issues, and other psychiatric disorders using a variety of therapeutic approaches (psychodynamic, CBT, ACT) on a weekly basis.
- Delivered formal case presentations to faculty supervisors, discussing case conceptualizations, results of assessments, and treatment plans.

2022 – 2023 **Psychology Extern** | Our Lady of the Lake Regional Medical Center, Baton Rouge, LA
Supervisor: Raymond P. Tucker, PhD

- Implemented the Collaborative Assessment and Management of Suicidality (CAMS) brief intervention, an evidence-based suicide risk assessment and intervention protocol, with hospital inpatients at bedside; Patient presentations ranged from depressive symptoms with passive suicidal thoughts to psychiatrically and medically complex (i.e. active suicidal ideation and planning, psychotic disorders, self-inflicted gunshot wounds, under hospice care, etc.).
- Performed evidence-based suicide risk assessment and intervention; collaborated and discussed case conceptualization and patient care with a multidisciplinary team of attending psychiatrists, psychiatry residents, nurses, and social workers.

2022 – 2023 **Student Therapist** | LSU Psychological Services Center, Baton Rouge, LA
Supervisor: Raymond P. Tucker, PhD

- Provided individual treatment using evidence-based therapeutic techniques (CBT, DBT, ACT) to university students on a weekly basis.
- Assisted with comprehensive neuropsychological assessments; Wrote session notes and intake reports; Attended weekly supervision meetings to discuss case conceptualization and treatment planning.

2021 – 2022 **Psychology Extern** | Baton Rouge Crisis Intervention Center, Baton Rouge, LA
Supervisor: Raymond P. Tucker, PhD

- Conducted intake interviews for individuals recently bereaved by suicide to determine their eligibility to enter a weekly survivors of suicide support group.

RESEARCH EXPERIENCE

2023 – Present **Graduate Student Researcher** | Suicide Prevention Lab, The Catholic University of America, Washington, D.C.
Advisor: David A. Jobes, PhD

- Investigate the effectiveness and feasibility of the Collaborative Assessment and Management of Suicidality (CAMS) intervention in college student and adolescent populations in large-scale multi-site randomized clinical trials.
- Complete adherence coding and provide direct feedback and performance ratings to clinicians implementing CAMS treatment to patients experiencing suicide crises.

2021 – 2023 **Graduate Student Researcher** | Mitigation of Suicidal Behaviors Lab, Louisiana State University, Baton Rouge, LA
Advisor: Raymond P. Tucker, PhD

- Investigated risk and resilience factors for suicidal thoughts and behaviors using Ecological Momentary Assessment (EMA)
- Independently developed research ideas; Prepared IRB submissions; Recruited participants; Collected, managed, and analyzed data; Published research findings.

- Collaborated with suicide researchers and doctoral students, co-authoring multiple peer-reviewed publications.

2019 – 2021 **Post-Baccalaureate Intramural Research Training Award (IRTA) Fellow** | Experimental Therapeutics and Pathophysiology Branch, National Institute of Mental Health (NIMH), Bethesda, MD
Supervisors: Elizabeth Ballard, PhD, Carlos Zarate Jr., M.D.

- Investigated biomarkers of acute suicidality with patients on a long-term inpatient behavioral health unit through the clinical trial, "The Neurobiology of Suicide."
- Conducted 7T functional magnetic resonance imaging (fMRI) and magnetoencephalography (MEG) scans on patients with depression and/or suicidal thoughts and healthy controls.
- Assisted with infusions, administering ketamine to suicidal patients; Pre-processed and analyzed neuroimaging data; Administered neuropsychological and cognitive testing; Assisted with administration of psychological rating scales; Conducted literature reviews; Analyzed data; Co-authored peer-reviewed journal publications.

2018 – 2019 **Research Assistant** | Klein Developmental Psychopathology Lab
Stony Brook University, Stony Brook, NY
Supervisor: Daniel Klein, PhD

- Examined the role of early temperament in the development of later mood and anxiety disorders as part of the NIMH grant-funded Stony Brook Temperament Study.
- Coordinated and co-ran lab visits with teenage participants and their parents.
- Obtained informed consent; Conducted neuroimaging scans (EEG); Administered experimental tasks; Processed resting EEG data using Brain Vision Analyzer.

2016 – 2017 **Research Assistant** | Arlitt Center for Education, Research, and Sustainability
University of Cincinnati, Cincinnati, OH
Supervisor: Victoria Carr, PhD

- Investigated children's STEM learning in nature-based, sensory-rich environments ("playscapes") through the NSF grant-funded project STEM in the Playscape: Building Knowledge for Educational Practice.
- Collected data; Videotaped preschooler-teacher interactions; Logged student-teacher interactions during nature play; Created and administered curriculum-based assessments; Interviewed preschoolers about their science-related knowledge.

2015 – 2017 **Research Assistant** | Children's Cognitive Research Lab
University of Cincinnati, Cincinnati, OH
Supervisor: Heidi Kloos, PhD

- Examined STEM efficacy in elementary school children after implementing new learning initiatives in the classroom.
- Developed a comprehensive measure to assess the effectiveness of early STEM interventions; Administered group math problems and assessments measuring children's efficacy; Coded qualitative data of students' interactions.

TEACHING EXPERIENCE

Spring 2026 **Workshop Leader**, Suicide Prevention Lab
The Catholic University of America

- Designed and led a multi-session workshop guiding nine psychology Master's students through abstract development, data analysis planning, and scientific poster presentation.
- Provided individualized mentorship on research questions, methods, and conference presentation skills. Supported students' submissions for University Research Day.

Spring 2026 **Teaching Assistant** | General Research Methods in Psychology (PSY 350)
The Catholic University of America, *Instructor: Sandra Barrueco, PhD.*

Fall 2025 **Instructor of Record** | General Psychology (PSY 201)
The Catholic University of America

Spring 2017 **Teaching Assistant** | Psychology of Interpersonal Relationships (PSYC 2042)
University of Cincinnati, *Instructor: Erinn Green, PhD.*

Fall 2016 **Teaching Assistant** | Research Methods & Statistics II (PSYC 2002C)
University of Cincinnati**,** *Instructor: Julie Weast-Knapp, PhD.*

PROFESSIONAL EXPERIENCE

2024 – Present **Independent Contractor – Graphic Design** | Military Health & Readiness Consortium

- Design materials (flyers, PowerPoints, training manuals) and create graphics to enhance engagement and accessibility in military suicide prevention training materials, part of a community-based participatory research initiative to prevent suicide in Alaska's military personnel, in collaboration between the Department of Defense and University of Alaska Fairbanks.

SERVICE AND LEADERSHIP EXPERIENCE

2024 – Present **Graduate Mentor** | Suicide Prevention Lab (CUA)

2022-2023 **Graduate Mentor** | Mitigation of Suicide Behavior Lab (LSU)

2020 – 2021 **Committee Member** | Committee on Diversity, Equity, and Inclusion, ETPB-NIMH

2017 – 2018 **Undergraduate Advisor** | Psychology Department, University of Cincinnati

2017 – 2018 **President** | Psi Chi, International Honors Society in Psychology, University of Cincinnati

2016 – 2018 **Tutor** | Bearcat Buddies Tutoring Program, University of Cincinnati

2016 – 2017 **Secretary** | Psi Chi, International Honors Society in Psychology, University of Cincinnati

2016 – 2017 **President** | Dramatic Arts for Thespians, University of Cincinnati

2015 – 2016 **Secretary** | Dramatic Arts for Thespians, University of Cincinnati

2015 – 2017 **Tutor** | ACT Tutoring Program, University of Cincinnati
